GOD BLESS AMERICA

ONE NATION UNDER GOD

BARACK HUSSEIN OBAMA

Dear Friends:

We want to take this opportunity to congratulate all free spirit people of the world who are against racial or religious discrimination and bigotry. The great American people proved to the world that they can choose the best man for President although he is racially half black (father) and white (mother). Religiously he is half Muslim (father) and half Christian (mother) and he has chosen Christianity as his religion. He is nationally also half Kenyan (father) and half American (mother). He is the best man with mixed race, religion and nationality.

Please remember 1400 years ago, Imam Ali (S.A.) told Malek Ashtar as Governor of Egypt, "People are either your brother in religion or your equal in creation" so love everyone and do not discriminate against anyone.

Allah (SWT) said in the Quran, "Dearest person to god is a pious person". Pious person is a person who obeys God's commands every minute of his life. God loves pious people, not the white or black person, rich or poor, Jews, Christians or Muslim person. President-Elect Obama declared that he will use his full name Barack Hussein Obama at the time of inauguration on January 20, 2009. General Collin Powell said, "Mr. Obama says he is not a Muslim, but what if he is, you must vote for him if he is the best person, not what is his religion".

Mr. Zalmay Khalilzad, the highest ranking American Muslim and U.S. representative in the United Nations said he was not offended when right wingers attack Mr. Obama because his middle name was Hussein. We all must rise above our prejudices and we all must remember that we all are children of God and the best of us is the God fearing and God obeying one. Jesus (S.A.) said Love your neighbor and pray for your enemy.

Our advise for you free-spirited brothers is:

1. Encourage your friends and family to name their male newborns middle name as "Hussein", Prophet's grandson's name. Also they name their newborn female "Zahra", Prophet's daughter's name. Let them run for presidency 50 years from now and head the world to the right path, path of God and truth.
2. Call your black and white or Spanish brothers and sisters. Let's bring peace and prosperity to all people. Presently, our brothers and sisters are killing and destroying each other inside and outside of prison for stupid reasons. Let's call everyone to obey God instead of obeying and following Shaytan.
3. Please reply and let us know if you need free Quran books, tapes and audio video for your spiritual growth.
